

ICE MATE

ICE MATE

ICE MATE

- Ice cubes are crystal clear, pure and hygienic
- Environmentally friendly less water consumption and electoricity saving
- Compact body with bigger ice storage capacity
- Undercounter installation available (SRM-45A)
- Easily detachable parts for easy maintenance and cleaning
- Environmentally friendly refrigerant, insulation (cyclopentane foaming)
- NSF certified material

Dice Cube Dimension

ICE MATE
SRM series

DICE CUBE ICE MACHINES

SRM-45A

Dimension

500(W) × 580(D) × 750(H)mm

Ice Production/day

46 kg (AT/10°C, WT/10°C)
36 kg (AT/32°C, WT/21°C)

Ice Storage Capacity

14 kg

Electrical Consumption

287W

SRM-60A SRM-80A

Dimension

660(W) × 670(D) × (970+80)(H)mm

Ice Production/day

60A: 65 kg 80A: 80 kg (AT/10°C, WT/10°C)
50 kg 57 kg (AT/32°C, WT/21°C)

Ice Storage Capacity

31.4 kg

Electrical Consumption

370W 450W

SRM-105A SRM-125A

Dimension

660(W) × 670(D) × (1120+80)(H)mm

Ice Production/day

105A: 100 kg 125A: 125 kg (AT/10°C, WT/10°C)
70 kg 81 kg (AT/32°C, WT/21°C)

Ice Storage Capacity

43.6 kg

Electrical Consumption

480W 590W

ICEMATE

ICEMATE is committed to bringing high-efficiency, energy-saving, and high-quality ice-making product to people who have dreams and desire to create their own business with the best scientific technology and manufacturing technology. ICEMATE may not be the achiever of your ultimate dream, but it must be the escort runner and navigator on your dream, accompany you through the storm, and realize your dream.

Space Saving

Pure Ice

Energy Saving

Safety & Hygiene

PCB control

Easy Maintenance

Dice Cube 22mm
Pure and Clear Cube

Slow Dilution
Slower melting speed due to -7°C of inside temp of ice cube

Safety and Hygiene Assured Ice Machine

NSF certified material for Bin and Scoop

Detachable parts for easy cleaning

Air filter prevent dust from entering

Stainless Steel (SUS304)

Perfect Fit and Space Saving (SRM-45A)

Compact design for under counter installation

Front Intake and exhaust system

Air intake

Exhaust

Open a Coffee Shop

Lazy afternoon
Serve office workers with refreshing iced coffee
To drive away their tiredness

Recommended Models: SRM-45A
SRM-60A
SRM-80A

Environmental Protection for A Better Future

- Environment al friendly cyclopentane blowing agent
- Environmental friendly refrigerant R134a/R404A
- NSF certified materials

Easy To Disassemble Design

Quick disassembly and assebmly without tools
Water circuit (water tank, water pump, water diffuser)
Parts such as dust-proof net can be disassembled easily
Can assemble without tools in short time
Convenient for inspection, cleaning and repair

Open a Restaurant

Steaming kitchen, preparing for dinner
Fresh ingredients must be kept fresh

Recommended Models: SRM-80A
SRM-105A
SRM-125A

Powerful Ice Making

Designed for commercial Ice Machine

- High-end Compressor
- Fast Ice Making
- Sufficient Ice Production

Ice making cycle about 12.0 - 19.5min

Ensuring sufficient ice production in 24 hours

Energy & Water Saving, Quiet Operation

Scientific water cycle system
The water circulation system reasonably utilize water and reduce waste

- Noise Reduction
- Low energy consumption

Stable compressor operation
Machine runs quietly and smoothly

Long life compressor
Low energy consumption during operation

Open a Bar

Provide a celebratory cold beer for those who are promoted
Or offer a stress-releaving cocktail for those who are struggling

Recommended Models: SRM-45A
SRM-60A
SRM-80A

SERVICE COMMITMENT

Provide you with country-wide after-sales service

 **1 year warranty (Parts & Labour)**
