Sirman Slicers , model Palladio 350 Automec :

- The Palladio Automec series offers the same outstanding features of the Palladio series adding:
 - Stainless steel base
 - Piston/rod system carriage motion
 - Fan-cooled carriage motion motor with commercial-grade oil bath reduction
 - Blade and carriage motion powered by separate controls
 - An easily accessible switch arm can convert the unit from automatic to manual operation
 - The exclusive designed carriage "Nettuno" is available with a special end weight and an adjustable vertical product fence to provide stability and advance products evenly.
- Two control systems:
- . Standard on/off
 - . Variable speed available (VV versions).

Controls

Large hopper

More space between blade and body machine
